

YOUTH MINISTRY GRANT 2010 Guidelines

PACIFIC SOUTHWEST DISTRICT LUTHERAN CHURCH - MISSOURI SYNOD

HISTORY OF THE GRANTS

A number of years ago the Walther League of Southern California purchased and operated a home as a hospice for young people moving to the Los Angeles area. When the hospice was sold some years ago the monies were set aside as an endowment fund for youth ministry.

The funds, invested in The Lutheran Church Extension Fund provide approximately \$5000 a year interest for use in youth ministry projects. This year, due to the economy and drop in the interest rates, the projected interest income will be \$4,000. The District Board of Directors has delegated the responsibility to publicize the program, seek applications for grants, and recommend projects for approval to the Youth Committee of The Pacific Southwest District - LCMS.

PURPOSE OF THE FUND

To stimulate and encourage creativity in youth ministry programming within the District.

To enable congregations and individuals to plan and carry out youth ministry projects where it might otherwise be impossible because of lack of funds.

Any project, program or event in which youth might be serving or which might be serving the needs of youth will be eligible for consideration. Youth is understood in its broadest sense, to include children through young adults. Past grants given have been between \$100 - \$1,000. Grants for facilities, equipment, staff or publicity are discouraged.
