CONGREGATION GOAL AGREEMENT

To help share the Good News of the Gospel message, _____ agrees to participate in ***Fan into Flame*** by vigorously pursuing a financial objective of $_____ that will be raised in cash gifts and pledges by _____.
(month) (year)

This represents our best intention and reflects our plan to raise these critical funds through:

- ☐ a special appeal requiring materials and/or assistance from the campaign office
- ☐ incorporation into a larger campaign effort for the congregation
- ☐ budgeted gift of new money
- ☐ other plan; please explain _____

Recognizing that mission opportunities exist locally, nationally and throughout the world, we would like our funds used in accordance with the Acts 1:8 model within ***Fan into Flame*** or as follows:_____.

These are funds over and above what our congregation is currently directing toward Synod, District and/or other mission-related activity. Further, we commit to pray for the lost and for those called to serve the mission field.
